Dear Ms Hudson

On behalf of everyone at Make-A-Wish Foundation® UK I would like to thank The Copas Partnership for supporting our 2011 Christmas Campaign with Proctor and Gamble by offering your superb venue at a charity discounted rate. We are extremely grateful for this support.

Proctor and Gamble has held a Christmas Campaign in aid of Make-A-Wish for eight years now and it is without question the most significant PR event each year for our charity. By highlighting the magical quality of the wishes we grant, the Campaign increases our profile and raises vital funds for our charity.

To be successful, the Campaign relies on the generous support of many different organisations, each committed to helping Make-A-Wish grant more magical wishes to children living with a life-threatening illness. We are extremely grateful to The Copas Partnership for adding your support and we hope you will watch the advert and Campaign with pride as it rolls out across the country from the beginning of November.

With kind regards

Karen England
